Our File No. 510.4763**

Dear Mr. Giller:

This is to confirm our telephone conversation of last week in which I requested and you agreed to have Warzyn forward a copy of the Phase I Technical Memorandum which has been submitted to the U.S. EPA. Bob Swayle of EPA indicated it would be much easier if he did not have to bother with the administrative headache of getting it copied.

If you have not already done so, please contact Warzyn and direct them to send me a copy along with a statement for reasonable copying expenses. Thank you for your cooperation in this regard.

Very truly yours,

EICHHORN, EICHHORN & LINK
